Embracing our Heroes Scholarship

Dear Friends of Veterans and Dixie State University,

Have you ever wondered what you could do to support the men and women who have served in the armed forces of the United States?

The Washington County Republican Women were honored to support our servicemen and their families by establishing the "Embracing Our Heroes Scholarship." This is a non-partisan effort to provide scholarships to Dixie State University students who are either veterans, spouses of veterans, or children of veterans. It is an honor to help these brave men and women who have made a sacrifice for our country by providing scholarship assistance which provides healing, hope, and an opportunity for them to realize their dreams.

This scholarship has helped seven students to date and at the present time provides financial help to three students. We are proud to report that one of our scholarship recipients, a wife of an injured soldier, has recently graduated and is now the bread-winner in her home.

With the new university status at Dixie State, the cost of education has increased. With this in mind we are requesting your assistance. Your donation will make a significant impact and any donation of \$100 or more is tax deductible.

Please make your donation payable to:

Dixie State University "Embracing Our Heroes Scholarship"

And mail your contribution to:

DSU Scholarship Office

(For more information call the DSU Scholarship Office at 4356527578)

Your involvement and support of this project will help so many lives and give us a chance to say, "Thank You" to the veterans who have fought for our freedom.

We appreciate you for your consideration of this request,

Sincerely,

Embracing our Heroes Scholarship Sponsors
